

## **HOPE COLLEGE**

### FINANCIAL AID REPORT CAFA – April, 2013

As we wrap up the 2012-13 academic year, financial aid staff is busy finalizing awards and reconciling funds. Summer awards are also being processed.

Packaging for admitted and waitlisted freshmen has been completed with the exception of the few students who are just now completing their aid applications. We continue to review these late applicants daily and prepare packages as soon as possible. Staff is also very busy entertaining questions and concerns from families regarding student packages as they prepare for the May 1 deposit deadline.

Review of upperclass applications began a couple weeks ago and we continue to move through these applications as time permits, again focusing attention on freshmen prior to May 1. Packaging for upperclassmen should begin around the third week in May.

While federal funding for the 2013-14 year has been finalized, state award amounts remain in question as the state budget has not been set. We continue to watch the events in Lansing closely.
