

A Breath of Fresh Air in Holland?

Why do we care about the quality of our air? Hear from Elisa Hoekwater from the West Michigan Clean Air Coalition and the Macatawa Area Coordinating Council as she shares the results of air quality monitoring done by the Michigan Department of Environmental Quality in cooperation with the U.S. Environmental Protection Agency.

Local high school students will share results from air quality monitoring they are doing locally in cooperation with Hope College.

**Tuesday,
May 12**
