

HOLLAND ENERGY PRIZE

SAVE WIN BIG

BIGGEST LOSER CHALLENGE

**How to win the Holland Energy Prize
“Biggest Loser Challenge”
while saving money & energy at home
Free Seminars**

Now that you registered for the [Biggest Loser](#), (or are still considering it) come on out to learn tips and good advice on how you and your family can reduce your utility costs, and win the Challenge.

In this seminar, we will go through the energy efficiency pyramid, which is a guide for the sequence of the easiest/cheapest changes you can make through the hardest and more expensive improvements to your home. Other topics will include water conservation, renewable energy, financing, incentives, rebates and how energy upgrades done right can also make your home healthier, more durable and comfortable.
