

Are We Using Our Drinking Water Wisely?

September 20, 2016

6:30PM - 8:00PM

Hope College

Graves Hall, Winants Auditorium

263 College Ave, Holland, MI

Join us as we explore where our drinking water comes from, how it gets into our homes, how we use it, how much we have left, and what we need to do in order to protect this priceless natural resource. Speakers include: Joanne Stewart, Professor of Chemistry at Hope College, Jim Vanderweg, Manager at Holland Board of Public Works Water Treatment Plant, and Matt Allen Director of Ottawa County Environmental Health
