CREATING A SUSTAINABLE COMMUNITY

MARCH 7 | 6:30-8:00PM

Public Reception:
6:00-6:30PM

CITY HALL COUNCIL CHAMBERS

Join us as we explore how Holland is building a more resilient community. Learn about the programs and tools helping us to see where we are and how we can best adapt to change. Hear about the new City Master Plan and Sustainability Report as well as how to make your home more efficient with the financing options like the Home Energy Retrofit Program and new On-Billing Financing Program. www.hope.edu/sustainability-institute
