

LOREEN NIEWENHUIS PRESENTS:

A 1,000 MILE WALK ON THE BEACH

Photo by Kevin J. Miyazaki.

In 2012, Loreen Niewenhuis took a walk that covered 1,000 miles of shoreline and touched all five Great Lakes, inspiring her book, *A 1,000 Mile Great Lakes Walk*. In this presentation, she will take you along the shores of all five Great Lakes and many of the waterways connecting them. In words, photos, and video, you'll explore the geology, hydrology, and natural history of the largest system of fresh water lakes in the world. She will also illuminate

the threats to this massive ecosystem: invasive species, pollution, destruction of wetlands, and the gradual warming of the lakes. The talk, sponsored with the Sustainability Institute, will be followed by Q&A with the audience and book signing to follow. Reader's World will be on hand with copies of Ms. Niewenhuis's book for sale.

MONDAY, JULY 31 | 7:00PM

HAZEL B. HAYES AUDITORIUM, LOWER LEVEL
