

# Hearing “ Faithfully”

Andy McCoy  
Center for Ministry Studies

Problem:

*When students think*

faith = call to ministry

Result: vocation “dislocation”

in *space*

In *time*

Reframe:

faith = call ~~to ministry~~  
to **faithfulness**

---

in *space*

in *time*

which leads to **many possible vocations...**

including *ministry*
